ADJUSTMENT TO SUPERVISION: Mr. Hicks began supervised release on August 23, 2013. His adjustment has been good until recent developments. When supervision began, he was employed with Kahill's Restaurant, where he reported he has maintained employment to date. However, due to a recent vehicle accident, Mr. Hicks reported that he has been out of work and under a doctor's care.

Prior to this writing, there have not been any previous issues regarding Mr. Hicks. However, on February 26, 2015, several supervised release hits occurred on Mr. Hicks, resulting in numerous emails being generated to this officer through NCIC/VCIN. A subsequent hit from the Meherrin River Regional Jail prompted this officer to contact them for further information. At that time, this officer was notified that Mr. Hicks was an inmate, and he had been arrested for some outstanding drug charges from the Southside Virginia Task Force.
